HERE’S WHAT WE ARE DOING TO HELP KEEP YOU SAFE:

We are limiting facility capacity. To ensure enough space for social distancing, we’re only allowing a certain number of people in at one time. This means you will have to reserve a time to enter.

We are practicing social distancing. We ask that you stay six feet apart from others.

We are cleaning frequently. While the facility is open, we are sanitizing all equipment and surfaces with disinfectant in accordance with the Centers for Disease Control and Prevention (CDC) guidelines. We are also deep cleaning the facility every night.

We are providing self-cleaning stations. These will be conveniently located throughout the facility with easy, readily available equipment disinfectant wipes and hand sanitizer.

We are wearing face masks. We are wearing face masks, and members and visitors are required to wear a face mask or face covering when in our facilities, except when using cardio equipment or in the pool — for your own health and safety, as well as the safety of others.

Fitness center and the pool are open by reservation only. Fitness sessions, Lap Swim and Recreational Swim sessions are available by the hour and can be reserved online at webtrac.cityofbrooklyncenter.org/ or over the phone by calling 763-569-3400.

Please call us if you are going to miss your reservation. If you are going to miss your reservation to work out or swim, please let us know in advance. If you miss three reservations without notifying the community center, privileges to reserve time could be revoked.

We are asking for your help. Please use your best judgment. If you’re not feeling well, have a fever or other flu-like symptoms, we ask that you stay home.
