

NEW PLAYGROUND COMING THIS YEAR

The City of Brooklyn Center will be replacing many of the city owned playgrounds in the coming years and we want your opinion.

In the spring and summer of 2021 playgrounds at Bellvue Park, Firehouse Park, Northport Park and Orchard Lane Park will be replaced with brand new equipment.

Click the images below to vote on which playground design you like best. Kids are highly encouraged to participate and give their opinion on how they would like to play!

Surveys will close on February 24th at 8pm. Winning designs will be announced on this page on March 1st.

Follow this page for any updates about the project including installation dates.
